THE ART OF NORDIC BOATS

DISCOVER QUARKEN

63° 50' N 023° 07' E

A superior boat arises from Kvarken, in Finland, a mystical place up in the north. Here, the sun will dip low in the horizon and cast a magical orange glow onto the coastline. For centuries, the changing seasons and the raw power of nature have ruled life by the sea.

This is the home of Quarken. Our boats draw inspiration from nature, and we combine it with decades of experience from the boat building and life at seas. The essence of our fleet lies in its beautiful simplicity and clean state-of-the-art Nordic design. We create innovative designs and modular solutions for best-in-class functionality and practical living on board. Powerful industry-leading Yamaha outboard engines guarantee the ultimate driving experience and reliable performance in all conditions.

Osmo Roukala, Boat Master & Founding Partner

QUARKEN **27** CABIN

MULTIPURPOSE ALL-ROUNDER

Confident, comfortable, and pleasant to explore the seas with. Thanks to *27 Cabins'* versatile character, she can easily be converted to match the ever-changing needs while out boating.

The 27 Cabin offers smooth handling and responsive performance with a top speed of 43 knots

The multifunctional saloon offers a lot of natural light and is the heart onboard the Cabin. Wrap-around windows offer views for all passengers. ←

The rear sofa in the cabin seats three persons and creates a sociable area together with the driver and co-driver's seats. ↑

The three-blade sliding glass door can be gathered completely to both starboard and port-side. ↓

The port-side walkway guarantees safe access to the bow and rear. ↑

The clean helm console offers excellent all-round visibility and is designed so one can easily monitor all data from the multi-function displays. ←

QUARKEN 27 T-TOP

RELAX AND ENJOY

The *27 T-top* offers the perfect blend of thrilling performance, sun protection, and comfort to enjoy life on the water with family and friends. Pure state-of-the-art Nordic design and elegance combined with functional solutions.

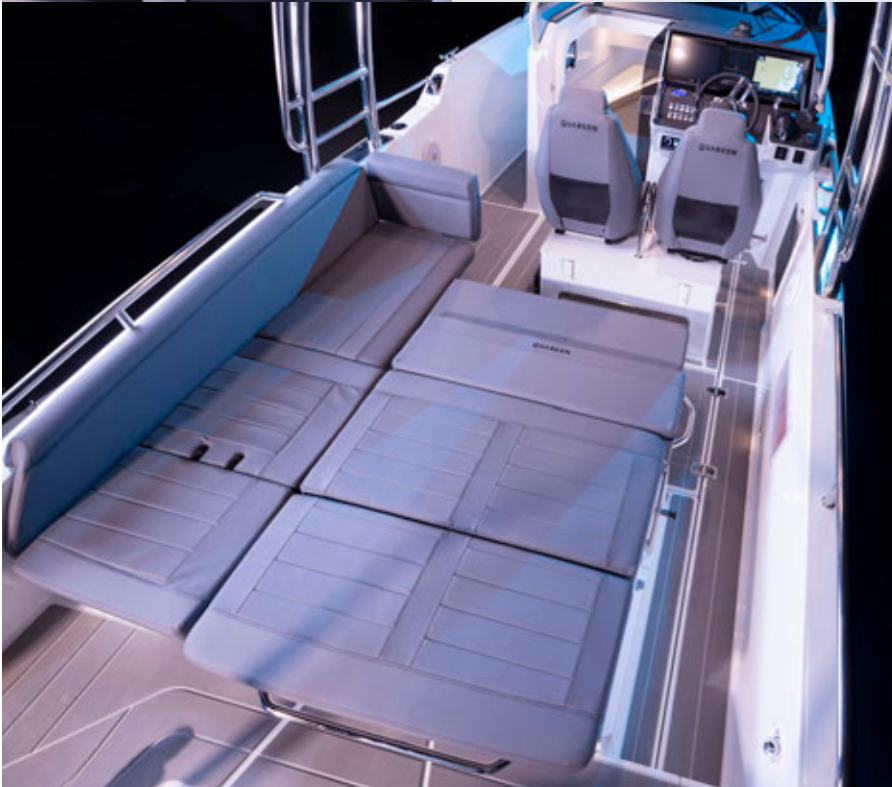

The *27 T-top* handles with confidence and is stable as well as predictable in all weather.

The clean driver-focused helm is designed ergonomically; all panels and switches are centrally positioned around the skipper. The console fits two 12" Garmin plotters. ←

The aft transforms into a full sunlounge area – a perfect place to enjoy warm sunny days. ←

All hatches open with all cushions on their places, and they stay easily and safely open thanks to the smart hinge system. ↓

QUARKEN 27 OPEN

SPORTY ATTITUDE

The *27 Open* is the ultimate companion for open air boating. Get ready to enjoy her captivating driving characteristics, sporty and sleek looks, and versatile and flexible solutions.

A double bed, vanity unit and an optional toilet in the fore cabin guarantee comfort for extended weekend trips. ←

The modern helm console offers excellent visibility and perfectly incorporates the latest drive-by-wire throttles and multi-function displays. ↓

The bow benefits from a bench that converts easily into a sunlounge area. ←

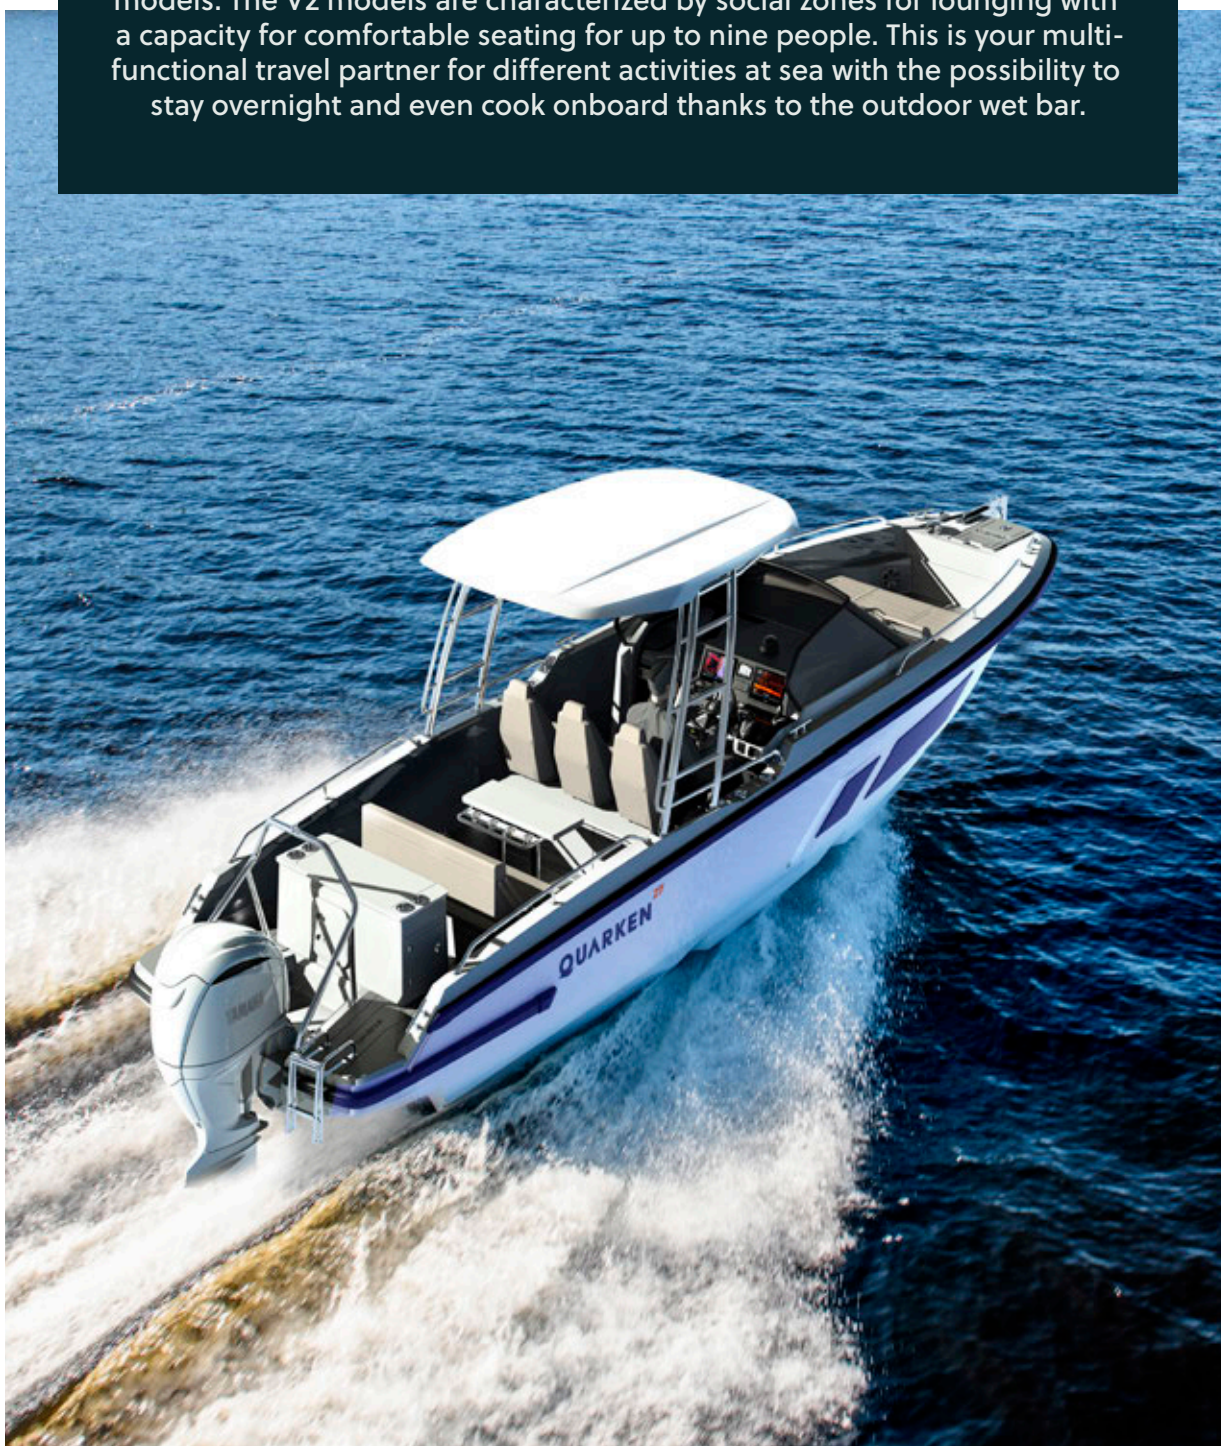

The large open aft cockpit with a sofa can be customized to suit a variety of needs. →

QUARKEN 27 V2

T-TOP & OPEN

The *Version two (V2)* is finally here for the Quarken 27 T-Top and Open models. The V2 models are characterized by social zones for lounging with a capacity for comfortable seating for up to nine people. This is your multi-functional travel partner for different activities at sea with the possibility to stay overnight and even cook onboard thanks to the outdoor wet bar.

The design consists of three seats at the helm, a comfortable sofa in aft together with a dining table as well as a wet bar with a built in hand basin and storage.

The heart onboard is the aft social area. The rotatable three seats, the sofa and table form the best place to hang out during warm summer days to enjoy life on the water. ↑

The wet bar comes with a hand basin, trash bin and storage compartment. You can complete your outdoor kitchen with optional gas cooker and cold water. ←

QUARKEN **27** V2 ONYX

STRIKING APPEARANCE

If you want to further enhance the looks and style of your Quarken 27 T-Top, you can do just that with the *V2 Onyx package*. The Onyx is a further upgrade to the V2 and offers ultra-cool looks and eye-catching appearance wherever you decide to anchor for the day. The foiled hull comes in an elegant carbon fibre color and pattern scheme.

The **V2 Onyx** offer striking turquoise and white upholstery color scheme with elegant detailing. All railings, water-ski pole and the sturdy T-Top roof structure comes in black color.

Enter the helm and experience the sporty style and details that enrich the driving experience. The helm station panels are high-gloss to give the helm a luxurious touch and feeling. ↑

The T-Top is black painted on the inside to match the looks of the boat. In addition, the roof comes with blue colored Led lightning. Deck lights are also upgraded to blue colored to match the style. ←
